Florida Amateur Driving Club, Inc
c/o Mr. Dein Spriggs,

Please accept our gratitude for your donation of \$1000.00 check #1026 given in support of Bit-By-Bit and our charitable mission to help heal special needs children and disabled veterans with the help of the horse.

The disabled veterans that we serve could not be helped without generous organizations like the FADC. Because of your kindness, we will continue to strive to see that the brave servicemen and women who served our country will be helped physically, mentally, & spiritually through our "Horses For Heroes" program.

On May 16, 2015 we will be hosting our annual Horses For Heroes Golf Tournament. 100% of funds raised goes to providing therapy to disabled veterans completely free of charge. We would like to invite you to join our event. We have enclosed tournament information and hope to see the FADC represented! Horses will be brought to the event as an extra bit of fun.

Once again, please accept our thanks for your generous support and for helping us make our veteran program a success. We look forward to continuing our relationship and will be pleased to keep you informed on all the progress we are making!

With Hope,

Kathleen Pegues, Executive Director
