Dear Dien:

I wanted to thank you and your entire team of jockey's for supporting The SMART Ride. When Dr Marah Lee suggested that we use Isles Racetrack for our mixer on Saturday April 11<sup>th</sup> it sounded like a great idea and a different venue to hold our get together.

What was so amazing is the reception we received from you and the entire team, from the on air time, to being in the winners circle; we were so impressed and appreciative of the focus given to The SMART Ride. I know you gained several new supporters of not only your sport but of the Racetrack and Casino itself.

The service we received from the dedicated food server was incredible, he was on top of everything, followed through and made us all feel welcome and appreciated. (and the food was GREAT!)

Dien, please extend our sincere appreciation for the hospitality and for the generosity that your team made financially to The SMART Ride. As I am sure you know from Dr. Lee, SMART Ride is unique to fundraising of our type. We guarantee that 100% of the money raised by our participants in this 2-day, 165 mile bicycle ride from Miami to Key West annually goes to direct services. We do not use any of the fundraising that our participants raise to produce and offset the cost of SMART Ride. That's why your donation to our cause is so greatly appreciated, every dollar donated to help us produce the ride really makes a difference in our ability to continue our promise of 100% raised and 100% returned. Since 2003 that has amounted to over \$6.4 Million dollars raised and returned to help those individuals around Florida who are living with, affected or infected by HIV and AIDS. Sadly Florida continues to rank in the top percentile of people living with and newly diagnosed by HIV and AIDS. Disproportionately HIV and AIDS affect our youth and our minorities and it is our hope through the work we do that we can see an end to this disease.

Thank you again,

Glen Weinzimer
