Dear Florida Amateur Driving Club, Inc,

As we begin an exciting new year, I wanted to take this opportunity to thank you for your commitment to bringing smiles, hope and healing to grieving children in our community. Together we accomplished so much last year helping more than 1,800 children suffering from the tragic death of a loved one. I look forward to working together in 2015 toward our goal of ensuring that no child ever has to grieve alone.

From the bottom of my heart and on behalf of the Tomorrow's Rainbow children, thank you.

Most sincerely,
